

BRIEF SUMMARY

I am a motivated learner with foundational knowledge in web development, programming, and database management. I have experience with HTML, CSS, JavaScript, Python, Node.js, and frameworks like Flask and Django. I am familiar with databases such as MySQL and MongoDB, and I understand software development and testing concepts, including SDLC, STLC, Software Quality Assurance, and tools like Selenium and JIRA. I also have basic experience with version control using Git and GitHub. I am eager to apply my skills and grow through practical experience in software development and testing.

KEY EXPERTISE

HTML CSS JScrip MySQL Python MongoDB Node.js Flask GIT Github Django STLC SDLC
Software Testing Software Quality Assurance Selenium JIRA

EDUCATION

Parul University

2023 - 2026

B.Tech. Lateral - Computer Engineering - PIT | CGPA: 7.93 / 10

S.B Polytechnic,Savli, Vadodara

2023

Diploma | Diploma - Computer Engineering - Computer Engineering | GTU | CGPA: 6.37 / 10

ST.Joseph's High School, Vadodara

2018

10th | GSEB | Percentage: 55.55 / 100

INTERNSHIPS

Maximux Completion System | Manufacturing / Core

21 Jun, 2021 - 21 Jul, 2021

Web Designer

In this internship learn to create and handle the live web projects with demonstrate my self and skills.

PROJECTS

Share Me

10 Sep, 2025 - 14 Oct, 2025

Key Skills: HTML5 CSS JScrip Webrtc Socket.io Node.js Express.js Github Git Render

Project Link: <https://share-me-os92.onrender.com/>

Share Me is a modern, real-time peer-to-peer file transfer web application that enables users to share files directly between devices without the need for cloud storage or file size limitations. Built with cutting-edge web technologies, it provides a seamless, secure, and lightning-fast file sharing experience through WebSocket connections and WebRTC protocols.

Emotion Based Music Recommendation System

25 Jun, 2025 - 10 Sep, 2025

Mentor: Bharti Dubey | Team Size: 3

Key Skills: HTML5 CSS JScrip Flask NumPy Opencv SupaBase Spotify API YouTube API

The Emotion Music Recommender is an intelligent web application designed to connect human emotions with personalized music experiences. Music is often influenced by how we feel, and this system makes use of advanced computer vision and machine learning to recommend songs that match a user's current mood. The platform is built using Flask and allows users to either upload an image or use their webcam to capture their facial expressions. Based on these inputs, the system analyzes emotions and provides suitable music recommendations automatically.

RMS (Resort Managemet System)

Key Skills: Html css JScrip php mysql

Project Link: <https://resort-management-system-sigma.vercel.app/>

A Resort Management System is a comprehensive software solution designed to streamline operations in hospitality establishments. It integrates various functions such as reservations, room management, guest services, and billing. The system automates routine

tasks, enhances efficiency, and improves guest experiences. It provides a centralized platform for managing all aspects of resort operations, from check-in to check-out and beyond.

Portfolio

Key Skills: HTML CSS JScript Web API

Project Link: <https://rajportfolio-mu.vercel.app/>

Personal portfolio website.

ACHIEVEMENTS

- o Developed a Unique 3D Portfolio Website
- o Continuous Learning & Innovation
- o Create Dynamic Websites in different languages
- o Testing Software Functionalities and Bug Tracking

ASSESSMENTS / CERTIFICATIONS

Python

Aggregate: 85 / 100

Key Skills: Python

IOT (Internet Of Things)

Aggregate: 72 / 100

Key Skills: Sensors and Actuators IoT Fundamentals Microcontrollers

SEMINARS / TRAININGS / WORKSHOPS

Project Fair Institute Name: S.B Polytechnic,Savli

Key Skills: HTML css php MySQL

The fair of projects which is made by students where i showcase my website of "Campus management system" and get certification.

CO-CURRICULAR ACTIVITIES

- o Open Source Contributions
- o UI/UX Design Projects

PERSONAL INTERESTS / HOBBIES

- o Reading Tech Blogs & Books
- o Traveling & Exploring
- o Listening to Music
- o Photography

WEB LINKS

- o Github - <https://github.com/Raj5489>

PERSONAL DETAILS

Gender: Male

Marital Status: Single

Current Address: E-10 ramniklal ni chal,navayard, old chhani road, Vadodara, Gujarat, India - 390024

Emails: 2303051457010@paruluniversity.ac.in , rajvankar5489@gmail.com

Date of Birth: 11 Jun, 2003

Known Languages: Hindi,English,Gujrati

Phone Numbers: +91-8690862521, +91-6354026795
